

# Santa Rosa County Sheriff's Office

My name is JAMES DUKE, I am writing you to seek your help in a matter concerning the misconduct of some of the officers of the Santa Rosa County Narcotics Unit. Specifically Sgt. Blake Weekley, Christina A. Reaves, Tara Milstead. On the evening of June 30, 2016 those same above-mentioned officers executed a illegal search warrant on my residence. I had several cameras hidden inside of statue, clock & ceiling. The officers discovered 3 firearms & seized those Firearms. But only listed 1-Lorcin .25 into evidence. Along with 2 boxes of 9mm ammunition. But did not list in evidence the X-D subcompact 9mm or the replica .36 cal Swiss Navy. These officers by law have violated my Fourth Amendment Rights guaranteed by the U.S. Constitution by unlawful presence on my premises. & then stealing some evidence from the home. I am scared that these same officers will plant those firearms at a crime scene or maliciously do

Something to set me up. The X-D 9mm has chew marks on the bottom part of the handle to identify the firearm. I have sent several copies of this letter to the F.B.I. in Jacksonville, Milton P.D. on Alabama St., F.D.L.E. in Tallahassee & Pensacola, Gov. Rick Scott in Tallahassee, U.S. Marshal in Pensacola, The Santa Rosa Co. Sheriff Office, & Channel 3 News. Something has in fact gotten to be done about the misconduct of these officers. Also, I would like the video from <sup>630</sup> the Squad Car I was transported from my home <sup>6</sup> to Jail in. I was coerced & promised things by Sgt. Weekley & he even gave me his personal cell phone # that started with a 698 number. You can help me. But you have to address the conduct of your officers. Do the right thing I'm begging you. Before these officers kill someone. Wrong is wrong. Be a good sheriff please. My family is in Danger..... I'm paying my debt to society..... Help make Santa Rosa great again!

Sincerely,

Jane Duke
